Throughout the series, Swagger evolves from a highly skilled marine sniper to a seasoned warrior, displaying incredible resourcefulness and an indomitable spirit along the way. Hunter's meticulous attention to detail and extensive firearm knowledge bring authenticity to Swagger's world, making it all the more captivating for firearms enthusiasts and action lovers alike.

An Engrossing Saga of Justice and Redemption

The Bob Lee Swagger series not only offers pulse-pounding action sequences but also delves into the complex psyche of its protagonist. As Swagger battles various enemies, both internal and external, readers are treated to a character-driven narrative that explores themes of honor, family, and sacrifice.

Each novel in the series introduces readers to a new set of adversaries, as Swagger finds himself entangled in a web of conspiracies, political intrigue, and personal vendettas. From government agents to corrupt officials, there is no shortage of formidable foes for Swagger to face. Yet, armed with his skills and an unwavering determination to do what is right, Swagger takes on these challenges with unwavering resolve.

What sets the Bob Lee Swagger novels apart is Hunter's ability to create multi-dimensional characters that resonate with readers. Swagger's vulnerabilities, his triumphs, and his failures are all expertly portrayed, building a connection between the readers and the larger-than-life hero.

A Critical and Commercial Success

With each new installment, the Bob Lee Swagger novels continue to garner both critical acclaim and commercial success. Hunter's meticulous research and engrossing storytelling have earned him numerous accolades, including the Pulitzer Prize for Fiction.

The series has also caught the attention of Hollywood, with a film adaptation of "Shooter," the seventh book in the series, starring Mark Wahlberg as Bob Lee Swagger. The Hollywood version captivated audiences worldwide, further fueling the popularity of the novels.

The Legacy Continues

As avid readers eagerly await each new release, the Bob Lee Swagger series shows no signs of slowing down. With its gripping narrative, nail-biting suspense, and a hero who embodies courage and tenacity, these novels are a must-read for anyone seeking a heart-pounding adventure.

From "Black Light" to "G-Man," Hunter's Bob Lee Swagger novels continue to push boundaries and captivate audiences with their relentless pace and intricate plots. With every turn of the page, readers are transported into a world filled with danger, intrigue, and the unyielding quest for justice.

For fans of action-packed novels, the Bob Lee Swagger series is a must-read. In this tour de force—part historical thriller, part modern adventure—from the New York Times bestselling author of I, Sniper, Bob Lee Swagger uncovers why World War II's greatest sniper was erased from history...and why her disappearance still matters today.

Ludmilla “Mili” Petrova was once the most hunted woman on earth, having raised the fury of two of the most powerful leaders on either side of World War II: Joseph Stalin and Adolf Hitler. But Kathy Reilly of TheWashington Post doesn’t know any of that when she encounters a brief mention of Mili in an old Russian propaganda magazine, and becomes interested in the story of a legendary, beautiful female sniper who seems to have vanished from history.

Reilly enlists former marine sniper Bob Lee Swagger to parse out the scarce details of Mili’s military service. The more Swagger learns about Mili’s last mission, the more he’s convinced her disappearance was no accident—but why would the Russian government go to such lengths to erase the existence of one of their own decorated soldiers? And why, when Swagger joins Kathy Reilly on a research trip, is someone trying to kill them before they can find out?

As Bob Lee Swagger, “one of the finest series characters ever to grace the thriller genre, now and forever” (Providence Journal-Bulletin), races to put the pieces together, Sniper’s Honor takes readers across oceans and time in an action-packed, compulsive read.
