Karyna McGlynn takes readers on tour through the half-haunted house of the contemporary American psyche with wit, whimsy, and candid confession. Disappointing lovers surface in the bedroom; in the bathroom, "the drained tub ticks with mollusks & lobsters;" revenge fantasies and death lurk in the basement where they rightly belong. With lush imagery and au courant asides, *Hothouse* surprises and delights.

Karyna McGlynn is the author of *I Have to Go Back to 1994 and Kill a Girl* and three chapbooks. She is currently a Visiting Assistant Professor of Creative Writing and Translation at Oberlin College.
