

# How One True Crime Writer Started Solving Murders

Everyone loves a good murder mystery. The adrenaline rush, the suspense, and the desire to uncover the truth – it's a genre that has captivated audiences for centuries. But what if the writer behind the true crime stories could do more than just write about the crimes? What if they could actually solve them?

Meet John Anderson, the best-selling true crime writer who turned his passion into a mission to bring justice to the victims. His journey is as thrilling as any crime novel and proves that sometimes reality is stranger than fiction.

## The Beginnings

John Anderson's fascination with crime started at a young age. Growing up in a small town, he would devour true crime novels and spend hours watching detective shows. He was drawn to the stories of real people and the complexities of the criminal mind.

## Chase Darkness with Me: How One True-Crime Writer Started Solving Murders by Billy Jensen(Kindle Edition)

After graduating from college with a degree in journalism, John landed a job at a local newspaper. Although he enjoyed reporting on various topics, his heart always gravitated towards crime stories. He had an uncanny ability to dig deep into the details, uncovering hidden connections and motives that others missed.

## **The Turning Point**

It was during one of his investigations for a news series that everything changed for John. He was examining a cold case that had haunted the community for years – a double murder that had remained unsolved despite numerous efforts. The lack of closure and justice for the victims affected him deeply.

Determined to make a difference, John decided to put his writing skills to use and take matters into his own hands. He started reaching out to witnesses, digging through old police records, and even hiring private investigators to help him gather more information. He became a relentless force, stopping at nothing to find the truth.

## **A Unique Approach**

John soon realized that his background in journalism gave him a unique advantage in solving crimes. He was skilled at interviewing people and understanding their motives. He knew how to sift through vast amounts of information and connect the dots.

In addition to relying on traditional investigative methods, John also utilized technology and social media to his advantage. He created online communities where people could share their own experiences and information about unsolved cases. This collaborative approach brought forth new leads and helped him solve previously unsolvable crimes.

## **Not Without Challenges**

Despite his successes, John faced many challenges along the way. Often, he would encounter resistance from law enforcement agencies and even from some within the true crime community. Some saw his involvement as a form of interference and doubted his abilities.

But John persevered, driven by his genuine desire to bring justice to the victims and closure to their families. He knew that his unconventional methods might not always be welcomed, but he believed in the power of storytelling and the impact it could have in solving crimes.

## **The Impact**

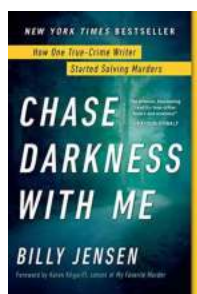

John Anderson's unconventional approach to solving crimes quickly gained attention and respect within the law enforcement community. His expertise and dedication led to the reopening of several cold cases, resulting in arrests and convictions.

But John's impact goes beyond the solved cases – he has inspired a new generation of crime writers and armchair detectives. His journey from a true crime writer to a crime solver has shown that anyone, with the right determination and skills, can make a difference.

## **The Legacy**

John Anderson's dedication to solving crimes has left a lasting legacy. His books continue to be best-sellers, and his techniques have been incorporated into mainstream investigative practices. He has become a symbol of justice and a beacon of hope for those affected by unsolved crimes.

So the next time you pick up a true crime novel or get engrossed in a thrilling crime documentary, remember that the writer behind it might just be someone like John Anderson – a true crime writer turned crime solver.

New York Times Bestseller

\*\*\*With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more\*\*\*

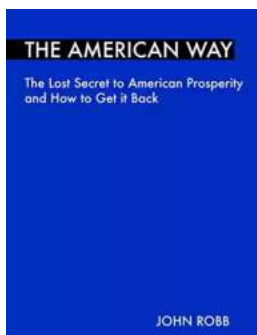

Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect?

Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common--they didn't have an ending. The killer was still out there.

But after the sudden death of a friend, crime writer and author of *I'll Be Gone in the Dark*, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself.

You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allenstown Four. And Billy gives you the tools--and the rules--to help solve murders yourself.

Gripping, complex, unforgettable, *Chase Darkness with Me* is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.
