My Idea Of Beauty
By: Nitya Pillai

**Beauty is the sensation of your heart skipping a beat,
when eyes full of mischief glance at you...
Beauty is the smile which appears on your lips,
when you think of the way he smiles at you...
Beauty is in the heart which touches another
Beauty is tender hands holding each other
Beauty is strong arms holding you warm
Beauty is in water, beauty is in weather,
beauty is in air, beauty is in life
Beauty is in love, beauty is in wind...
Beauty surrounds you days and nights
yet no one knows beauty's heights...**
