She's too young. She's my best friend's daughter. Staying away is the right thing to do.

But staying away is no longer an option.

Her safety is paramount. Especially now that her name is attached to a case of missing girls thanks to her Nancy Drew ways.

I'm here to protect her tonight, tomorrow, and always. Badge or not.

And I know what else she needs too.

She needs tough love, the kind of guidance, and sternness her father couldn't ever provide. Something I'm more than ready to give her.

I will protect her.

Because I protect what's mine, and that's exactly what she is. Mine. My little Luna.

This is a short, steamy "daddy-lite" romance with some daddy elements, but it is not a spot on ddlg story. No OM / OW drama and no cliffhangers. Always a sweet HEA.
