How do you repair a broken heart?

Sarah Campbell had always been the type of person who laughed the loudest, smiled the brightest, and the constant rock when anyone needed her. She had a good life full of friends and family, until everything came crashing down around her. Dealing with tragedy, Saturday nights became her only escape from the darkness and pain she felt inside. Not wanting anything more than to just give herself to someone—anyone—and let them take away the hurt. Until one Saturday night when Bentley Cole sat next to her at the bar.

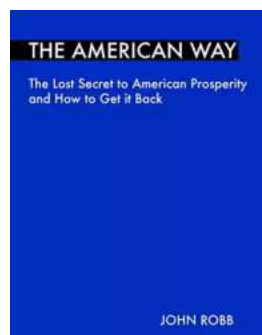

Bentley knew a thing or two about broken hearts. One look into Sarah's dull and desperate eyes, and he knew he would do anything he could to take her pain away. Changing his plans and throwing caution to the wind, Bentley made it his mission to help Sarah learn to live again, even if it meant losing himself in the process.
