"Rialto Ripples" is George Gershwin's first published instrumental and his only piano rag. It has all the hallmarks of Gershwin's piano style merging ragtime with a piano novelty number. It's fun, it's delightful, it's a toe-tapper, and smile-maker. This wonderful rag is accessible to intermediate level pianists but will attract advanced players, too. A great addition to recital and encore lists!
