Brice Bannon: Someone to fight for those who can't. Meet Brice Bannon.

He served fifteen years in the Coast Guard, most recently as captain of the Deployable Operations Group, (DOG), the Coast Guard's version of the Army's Special Forces and Navy's Seals operations. When the command was decommissioned, rather than accept re-assignment, Bannon retired from the full-time Coast Guard. But when his country needs him, Bannon once again answers the call.

Recruited by the Secretary of Homeland Security, he leads a small, secretive team of specially-trained, highly-skilled operatives capable of

responding to and investigating specific, targeted threats against the homeland. Threats that cannot be effectively handled by standard operating means. Threats that call for a unique and often secret approach outside the normal channels of either Homeland Security or the Department of Defense.

When not risking his life for the government, Bannon runs the Keel Haul, his bar in the resort town of Hampton Beach, on the New Hampshire seacoast. There, he also operates as a small town private investigator and tends to get himself in big trouble along with the help of his two best friends and teammates; Tarakesh "Blades" Sardana and CWO Skyjack McMurphy.

This boxset bundle includes the first three novels in the explosive Brice Bannon Seacoast Adventure series. FACING THE STORM, THE OCEANIC PRINCESS & STRIKE OF THE STINGRAY.
