

Tidewater Moon: The Nigel Logan Action - Uncovering the Thrilling Underworld

Tidewater Moon is an electrifying action-packed thriller that takes readers on a rollercoaster ride through the dangerous underworld. This gripping novel is written by the talented author Nigel Logan, who has seamlessly combined suspense, thrilling action sequences, and intricate plot twists to create a truly captivating reading experience.

In Tidewater Moon, Nigel Logan introduces readers to an anti-hero, Nigel Morgan, who finds himself entangled in a dark web spun by an underground criminal organization. The story unfolds in the backdrop of the Tidewater region, a notorious hotbed for criminal activities. The moonlit nights act as a metaphorical canvas for thrilling heists, treacherous encounters, and a battle against the forces of evil.

The title "Tidewater Moon" refers to the pivotal role that the moon plays in the protagonist's journey. The moon signifies both light and darkness, mirroring the duality of Nigel Morgan's character. Under the moon's watchful gaze, Morgan must confront his own demons while battling the criminal masterminds who threaten to unleash chaos upon the Tidewater region.

All he wants is a quiet existence on Florida's Forgotten Coast. Why do the demons of his past keep calling him back?

It has been years since Nigel Logan had to think about his dark past and the circumstances he left behind in Virginia. When he left the last time, he was confident it was all over. However, when you leave unfinished business on the table, when you don't finish the job, how can you be so sure? Truth is, when you leave ruthless thugs behind to walk the streets, you can never rest easy.

In Tidewater Moon, cowards want Nigel Logan dead. But instead of going straight after him, they threaten friends and loved ones to draw him in. He has no choice but to go back and face the evils that await him. He knows... he may never see his coastal family again, because this time, he'll save and protect the ones he loves or die trying.

When the moon rises above the Atlantic horizon, will Nigel rise with it?
