REVISITING THE PAST CAN BE MURDER

Private detective Greyson Travers has a secret, but he isn't the only one.

When a stunning widow asks him to investigate the suicide of her husband, Greyson plans for an easy resolution.

But a quick look into the past gets dangerous for his future. He isn't the only one interested in the case, and the longer he's involved, the more victims turn up dead.

Greyson can travel through time. It makes him the best sleuth in the city. But every advantage comes at a cost. Under pressure from a powerful mob kingpin and an agency governing time, his investigation will take him deep into the underworld.

The clock is ticking, and Greyson might be too late to discover the truth. Sometimes the past is better left for dead.

If you love treacherous twists and mind-bending murder mysteries, jump into this page turner where time is never on your side.

Can you solve the mystery of the future?
